- Kids Wings Program • www.skircr.com/kidsgrow

Are your kids new to the sport of skiing/snowboarding or outgrowing their gear each year? Take the hassle out of having to find and purchase top of the line new winter ski & snowboard equipment every year for just \$149 with the RCR Kids Wings!

- Custom Skis • www.skircr.com/customskis

Stickers & t-shirts are fun, but what a better way to show off your passion for your favourite ski resort, than to own a pair of custom skis? NEW! Custom graphic art skis from Fernie Alpine & Kicking Horse Mountain Resort - limited number available!

- Food & Beverage Packages

This season we're adding Food & Beverage 'Ride & Dine' packages, offering group/family discounts and Adult Après Packages. Plus if you have a season pass, don't worry about bringing your wallet, use your season pass to pay for your food & drinks.

- NEW Groomer

Continued re-investment in enhancing the skiing and riding experience- Fernie is well known for deep powder but did you know that we have a top of the line grooming fleet and with the addition a new groomer it keeps on getting better.

- Terrain Improvements

Our annual brushing program will focus on Siberia Ridge, Cedar Ridge and the Currie Glades, as well as doubling Emily's Run for a new race training run.

- More Rental Gear in shop for kids (4-6)

We don't want the kids to miss out! Fernie is proud to be one of the only resorts in the Canadian Rockies to take part in the new Burton Riglet campaign to get kids riding early on. We won't leave the skiers out, with our new Head top of the line kids' rental gear – we've got the kids covered for snow fun!

- More high performance options in rental shop

HEAD is a leading global manufacturer and marketer of premium branded winter sports equipment, holding a leading position in all its product markets and its products are endorsed by some of the world's top athletes!

- Ski Patrol Training Course by Non Stop Ski

Train to become a ski patroller in Fernie, a resort with challenging terrain and complex avalanche operations. Learn the heroic skills needed to work in one of the most exciting and interesting jobs on the mountain. More info -
