

## Resorts of the Canadian Rockies

Kicking Horse Mountain Resort • What's New • 2014.2015 Winter Season

[www.kickinghorseresort.com](http://www.kickinghorseresort.com)

### New Programs

- **Kids Wings Program** • [www.skircr.com/kidsgrow](http://www.skircr.com/kidsgrow)

Are your kids new to the sport of skiing/snowboarding or outgrowing their gear each year? Take the hassle out of having to find and purchase top of the line new winter sportswear every year for just \$149 by participating in the RCR Kids Wings!

- **Custom Skis at Fernie & Kicking Horse** • [www.skircr.com/customskis](http://www.skircr.com/customskis)

Stickers & t-shirts are fun, but what a better way to show off your passion for your favourite ski resort, than to own a pair of custom skis? NEW! Custom graphic art skis from Fernie Alpine & Kicking Horse Mountain Resort - limited number available!

**Kicking Horse Mountain Resort** • [www.skikickinghorse.com](http://www.skikickinghorse.com) • [www.facebook.com/kickinghorsmountainresort](http://www.facebook.com/kickinghorsmountainresort)

- **New Winch Cat – 2<sup>nd</sup> Cat added**

Continued re-investment in enhancing the skiing and riding experience, the new winch cat will provide easier access for crews to groom in hard to reach areas and to improve the experience for the more intermediate skiers and riders.

- **Improved access into Superbowl (for intermediate skiers)**

Well known for champagne powder it is big. Kicking Horse has the most bowl skiing in the Banff region and now is only getting better as we are 'Blueing' it, adding intermediate skier/snowboarder access so that all can enjoy the incredible alpine bowl skiing and riding experience.

- **New Groomed Trails in Bowl Over**

Two New Blue runs for the intermediate skier or rider to enjoy the incredible alpine bowl skiing and riding experience.

- **More groomed trails of Redemption**

Summer grooming will allow us to add two New Blue runs for the intermediate skier or rider to enjoy the incredible alpine bowl skiing and riding experience.

- **Kicking Horse Brand Store**

Love where you ride? Show it off with your Kicking Horse logo wear, this store is dedicated exclusively to featuring our swag, as well as the new custom Kicking Horse skis from SkiLogik. Visit the new brand store next to the rental shop.

- **Kids Learning & Lunch Area**

New Kids Learning and lunch area right in the heart of the base, this new area will make it easy for lunches during ski school lessons and for parents to meet up with their children, being located within the beginner area.

- **Skating Rink Expansion & New Warm up Station**

Not only with the skating rink enjoy an expansion doubling it in size it will also receive the addition of a warm up après centre complete with firepit, hot chocolate and marshmallows (to be open weekend and holidays next season)

- **More high performance options in rental shop**

HEAD is a leading global manufacturer and marketer of premium branded winter sports equipment, holding a leading position in all its product markets and its products are endorsed by some of the world's top athletes!

- **New Cedars Real Estate Development**

The Cedars is a mountain modern duplex development that consists of 26 units. The First Phase comprised of 8 units has commenced construction and interest in the properties is growing fast! Get more information on the new [RCR Realty](http://RCR Realty) site.
