

## Nakiska Ski Area

### What's New 2014/2015 Winter Season

---

#### **- Adding more Tubes/1 more lane to the new Wanido Tube Park**

*Not only will it be the first full season of Tubing at Nakiska, it was so popular when it was introduced last season we're adding a whole new lane!*

#### **- Guest Services & Ticketing Area Expansion**

*Look forward to an upgraded and expanded Guest Services and Ticket area this winter at Nakiska!*

#### **- Additional Parking Lot & Parking Attendants**

*This winter, we'll be adding an additional parking lot – Lot #5. As well as the new lot we'll have Parking Attendants managing the area over weekends and holidays to ensure a smooth parking experience.*

#### **- Food & Beverage Service Expansions**

*Various Food & Beverage outlets at Nakiska will be expanded for the upcoming winter season including – expanding the Slopeside Cafe in the Daylodge, over 100% more space at the outdoor BBQ pit and more seating in the Finish Line Lounge.*

#### **- More Snowmaking**

*Two more fan guns added to our snowmaking system, the largest in Western Canada, will keep Nakiska being the first ski resort in Canada to open in the fall.*

#### **- More Groomed to Perfection**

*The addition of a new grooming cat to the fleet will keep our runs groomed to perfection this season.*

#### **- More Terrain for Adventure**

*Continued summer grooming of the Monster Glades will make them even more exciting to ride in the coming winter season.*
