

Kimberley Alpine Resort

What's New 2013.2014 Winter Season • www.skikimberley.com

Kimberley Alpine Resort is gearing up for the 2013.2014 season, which will open in Mid-December. The resort is working hard to make the skiing and riding experience even better with the following improvements;

What's New

-Beginners love Kimberley even more with new ski run – Alpine Slide

The crew at Kimberley will be working on adding an additional beginner trail/easy way down to lower mountain from the top of Northstar Chair. Beginners can now avoid the lower mountain headwall which is the steepest pitch on the Main Run by taking a much easier experience on a new ski run called Alpine Slide which takes you down a new designated Green run.

- Mountain Weddings taken to a new height with the New Wedding Tent & On-Mountain Wedding Venue

Book your mountain dream wedding this winter, at the new Kimberley Alpine Resort Wedding Tent. Located at the base of the resort, the Wedding Tent provides a great mountain venue for your wedding celebration. As an alternative – take your wedding to new heights at the Top of the World Kootenay Haus and Mountain Arch ceremony site at the top of the Northstar Mountain.

- Skip Speed dating, Pass on-line dating, Try Ski Dating for real mountain fun

Last season Kimberley added a new night skiing event, bring your sweetie for a skiing date weekly throughout the ski season! Enjoy the wonders of skiing under the stars with your special one and after skiing après specials will top off a perfect date night!

- Turn your Ski Day into a lifetime of mountain memories- see new real estate offerings on our new website

Don't just visit the mountains – live them. Check out upcoming developments on the NEW www.rcrrealty.ca website. Great new lots are available from \$89,900.

- Para Alpine Events

In 2014 Kimberley will host the IPC NorAm Event and Osisko Speed Camp/Super G Race. In February the IPC NorAm race will see approximate 40 disabled athletes plus coaches returning this year from all over the world, while the Osisko Speed Camp/Super G Race in February/March will see the first speed race for FIS athletes 16 and up in years!

-Kimberley is already famous for grooming, but if there was such a thing as 'Groomed to Perfection' a new grooming cat makes a difference. The New BR350 Snowcat- the latest and greatest grooming machine out on the market today!

Coming to Kimberley this season is the new BR350 Snowcat. The BR350 'loves steep mountain slopes' and will aid in the grooming of massive amounts of snow, providing a smoother and softer carve-able snow.

- Summit Fund Program Continuation

During the initial 5 Year commitment - between April 2007 and October 2011, the Kimberley Alpine Resort Community Summit Fund has provided over \$150,000 in cash, as well as in-kind donations to more than 150 community organizations and projects. Kimberley is proud to announce the program will continue in 2013 and beyond!
